### PRESS RELEASE

#### “Organic Weed Killer Chosen for N.J. School Playgrounds”

Woodbridge Twp, N.J. Nov 12, 2008---Pharm Solutions Inc. announced Woodbridge Township, New Jersey, has chosen Weed Pharm™, EPA Reg. No. 81936-1-81935, the world’s first food grade organic acid for the control of herbaceous weeds and grasses as the organic herbicide that will replace synthetic chemicals on Woodbridge Township, N.J. school playgrounds and athletic fields.

“To best serve the residents of Woodbridge Township in weed control, we want a product that is safe for children and pets” said Mr. Anthony J. Lance, Supervisor of Parks. “This product is very effective and eliminates the weeds that encumber the ball fields and playgrounds. Weed Pharm™ allows us the safest, most cost effective way to battle weeds. An organic herbicide that is environmentally friendly, fast acting and can be used on all playgrounds and athletic field areas, (Woodbridge Twp has approximately 36 ball fields, 39 playgrounds and 3 soccer and football fields), Weed Pharm™ is a MUST for all Municipalities large and small, who care for safety first.”

The Bio Chemical Weed Pharm™, EPA Reg. No. 81936-1-81935 is a “food grade” non selective weed and grass killer, having an active ingredient of 200 grain vinegar (20% Acetic Acid) and which qualifies for use in organic production under Rule 205.605 of the USDA National Organic Program. Weed Pharm™ is manufactured by Pharm Solutions Inc., a Washington State Corporation with offices in California and Texas.

Weed Pharm™ is available at Whole Foods, Smith and Hawken, Fred Meyer, Independent Lawn and Garden Centers across the US and the Pharm Solutions website [www.pharmsolutions.com](http://www.pharmsolutions.com). Bulk sales are available in 55 gallon drum, 275 gallon totes and truckload quantities by calling Pharm Solutions Inc. at 805.927.7500.
