

RESOLUTION

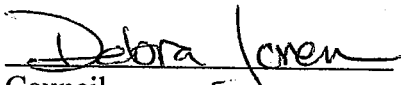

WHEREAS, the Borough of Watchung desires to build a community that is sustainable economically, socially and environmentally; and

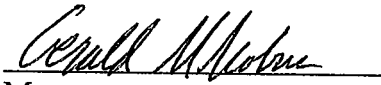

WHEREAS, creating a sustainable community will require leadership, vision, and a commitment to starting the long term journey toward sustainability; and,

WHEREAS, in an attempt to focus attention on "Green" issues, the Borough wishes to establish a Green Team Advisory Committee; and,

WHEREAS, Green Teams are the catalyst for creating an understanding of what sustainability means in the community, and by working together in a coordinated fashion, it can help create a more sustainable set of goals, policies, and actions to assure clean air, water and a working and living community which would thrive well into the future.

NOW THEREFORE BE IT RESOLVED that the Mayor and Council of the Borough of Watchung do hereby establish a Green Team Advisory Committee consisting of Borough employees and residents.

Council

Mayor
