

Join us for our 1st regional community event.
Learn fun new ways to conserve energy, save money, and
protect our environment.

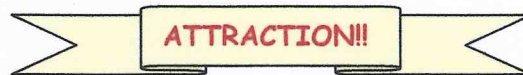

Watchung Hills Regional High School
Sunday, October 18, 2009
11:00 a.m. – 4:00 p.m.

Food * Performers * Kids Games * Arts & Crafts * Guest Speakers * Educational Showcases

GrEEEn Day 2009 is a one-day, fun filled fair, designed to raise awareness about environmental responsibility. For the first time, the 2009 GrEEEn Day Fair will include the collaborative efforts of the towns of **Green Brook, Long Hill, Warren, and Watchung** in an exciting and informational family-oriented experience to increase attention to **conservation, sustainability and recycling**. The event theme for this year is '**Caring and Connecting Our Communities, One Footprint at a Time**'.

The Green Day 2009 provides an opportunity for students of our communities to showcase their favorite project on the subject of energy and environment conservation and sustainability. Please contact the Green Day Joint Committee or your school for information on how you can participate. There will also be a number of companies on the day of the event to present their energy efficient products and sustainable technologies.

The event will also feature the **TESLA ROADSTER**, the only highway-capable **Electric Vehicle** currently in regular production. For all you GREEN folks out there with a desire to check out this exciting vehicle, make sure you are there on Oct 18th to see this amazing car for yourself.

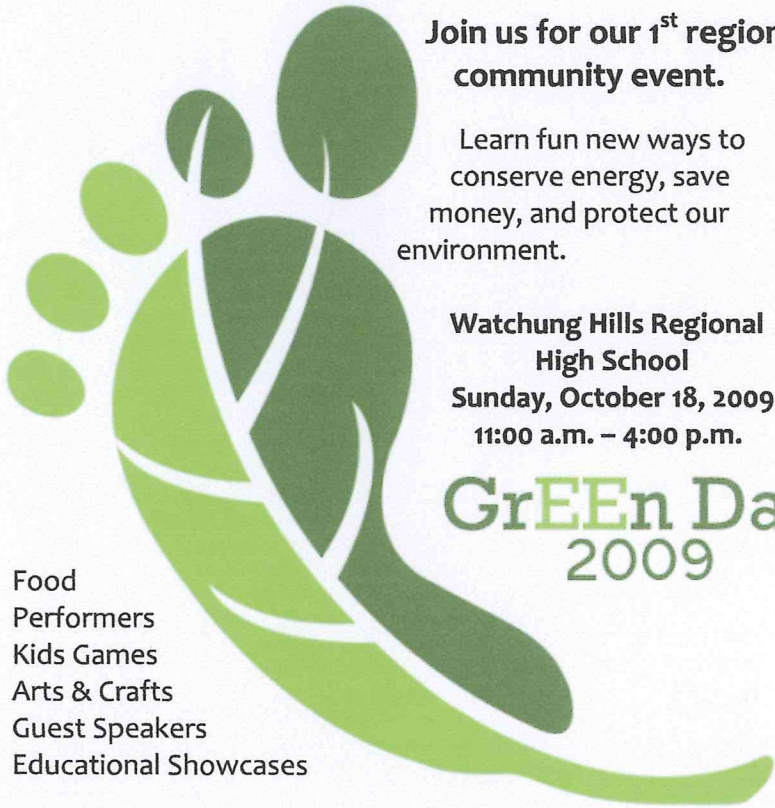

Mark the calendar & come on over with your kids, family and friends and help improve our communities. We look forward to seeing you there !!!!

Exhibitors, Sponsors, Volunteers please contact:

Green Brook: Sue Jain.908-294-2814 * Long Hill: Alexandra Henessey.908-604-0248
Warren: Laura Mandell.908-561-1286 * Watchung: Jean Forlano.908-769-5449
